Photography Tip

Whilst most people can usually agree with Competition Judges on which photos look good, they are often unaware that judges also award marks for how well the photo fits the Category Title. For example, if say the Title was “Water”, then a photo should instantly give a feeling of water or wetness. This could come from, say; the sea, water-fall, rain, drinking fountain, a thirsty person, etc. Keep this in mind if you are entering a photo.
